

# **GURJAS INDUSTRIES**

**MANUFACTURERS OF INDUSTRIAL MACHINERY**

**Specialist In: Heavy Plano Miller Jobs, Horizontal Boring Machine Jobs, and Machining & Fabrication Jobs.**

## **COMPANY BROCHURE**

<b>Name of the Company</b>	<b>Gurjas Industries</b>
Office & Works	W/79 A, MIDC Anand Nagar, Ambernath(E),Thane, Maharashtra
Mobile No	9890137719 , 8983171369
Email ID	<a href="mailto:gurjasindustries@yahoo.com">gurjasindustries@yahoo.com</a>
Contact Person	Gurraj Singh
GSTIN NO.	27AAOPN4089Q1ZM
PAN.	AAOPN4084Q
Nature of Work	Specialized in Industrial Machinery manufacturing. (SPM Machine Parts as per Drawing /Specifications).

We “**Gurjas Industries**” situated in Ambernath, Thane, Maharashtra, is a Proprietorship firm, Established in the year 2004.

We have been leading in industrial machinery manufacturing **Specializing in precision Heavy Plano milling, VTL and Horizontal Boring Machines machining job work we excel in customized fabrication and offer complete job and component development based on drawings or specific customer requirements.**

We've successfully undertaken diverse projects, including stone cutting machines, chemical mixer plants, line polish machines, machine maintenance, and steel plant machining jobs, and **All kind of Machine Tools & SPM Machine Parts as per Drawing /Specifications Complete Job Development with Any material** across Maharashtra for various industries.

## ➤ List of Machines

SR.NO	Machine Name	Capacity /Specification
1	Planno Miller ( Sagar Make)	X Axis Traveling – 6000mm Y Axis Traveling – 1900mm Z Axis Traveling – 1900mm
2	Planno Miller ( Sagar Make)	X Axis Traveling – 6000mm Y Axis Traveling – 1575mm Z Axis Traveling – 1575mm
3	Planno Miller ( Sagar Make)	X Axis Traveling – 3000mm Y Axis Traveling – 1375mm Z Axis Traveling – 1375mm
4	Planno Miller ( Sagar Make)	X Axis Traveling – 4000mm Y Axis Traveling – 1200mm Z Axis Traveling – 1200mm
5	Boring Machine (Karam Make)	Spindle Dia. – 110mm
6	VTL (Western Bennett)	Chuck Dia. – 64 inches
7	Milling Machine ( Huron Make)	X Axis Traveling – 2000mm Y Axis Traveling – 720 mm Z Axis Traveling – 420mm
8	Drilling Machine	45 MM CAPICAITY
9	Fabrication Unit	

➤ List of Measuring Instruments:

Sr. No.	Name of Instruments	Make	Size / Range / L.C
01	Digital Vernier Calipers	Mitutoyo	Range- 0 - 200mm, (L.C – 0.01mm) Range – 0 – 300mm (L.C – 0.01mm)
02	Dial Vernier Calipers	Mitutoyo	Range – 0-300mm (L.C – 0.02mm)
02	Vernier Caliper	Mitutoyo	Range- 0 - 450mm, (L.C – 0.02mm)
03	Micrometers	Mitutoyo	Range- 0 - 25mm, 25 -50mm, 50-75mm, 75 -100mm, 100 – 125mm, 125- 150mm, 150 -175mm, 175 - 200mm (L.C – 0.01mm)
04	Micrometer	In size	Range- 200 - 350mm, (L.C – 0.01mm)
05	Digital Height Gauge	Baker	Range- 0 -300mm, (L.C -0.01mm)
06	Granite Surface Plate	Graph Datum	Size - 630 X 630mm, (Grade – ‘0’)
07	Bore Gauges	Mitutoyo	Range– 10-18.5mm, 18-35mm, 35-60mm, 50-150mm, 160–250mm
08	Profile Projector	Mitutoyo	L.C – 0.001mm, Accuracy- ±0.005mm
09	Dial Indicators (Plunger)	Mitutoyo	Range - 0 - 1mm (L.C – 0.001mm) Range – 0 -10mm (L.C- 0.01mm)
10	Dial Indicators (Lever Type -Puppet)	Mitutoyo	L.C – 0.002mm & L.C- 0.01mm
11	Bevel Protector	Mitutoyo	L.C. - 0 ° 15’

➤ Our Manufactured Components / Job Work

**Planno Miller/ Milling / Horizontal Boring / VTL Machining Service:**

## Complete Machine Development

### (CVTHS) Stone cutting Machine ( Designed by Shah Stone machine)

The CVTHS Stone Cutting Machine, designed by Shah Stone Machines and developed entirely within our unit, is now successfully completed. Every step, from manufacturing and precise machining to intricate fabrication, testing, sub-assembly integration, and assembly, happened right here in our facility. The final assembly, painting, and thorough inspection were all done in-house, followed by efficient packaging and shipping.

**(Sub Assembly and Testing of CVTHS Machine)**

**(Chemical Mixer fabrication & Machining , Line polish Machine components machining)**

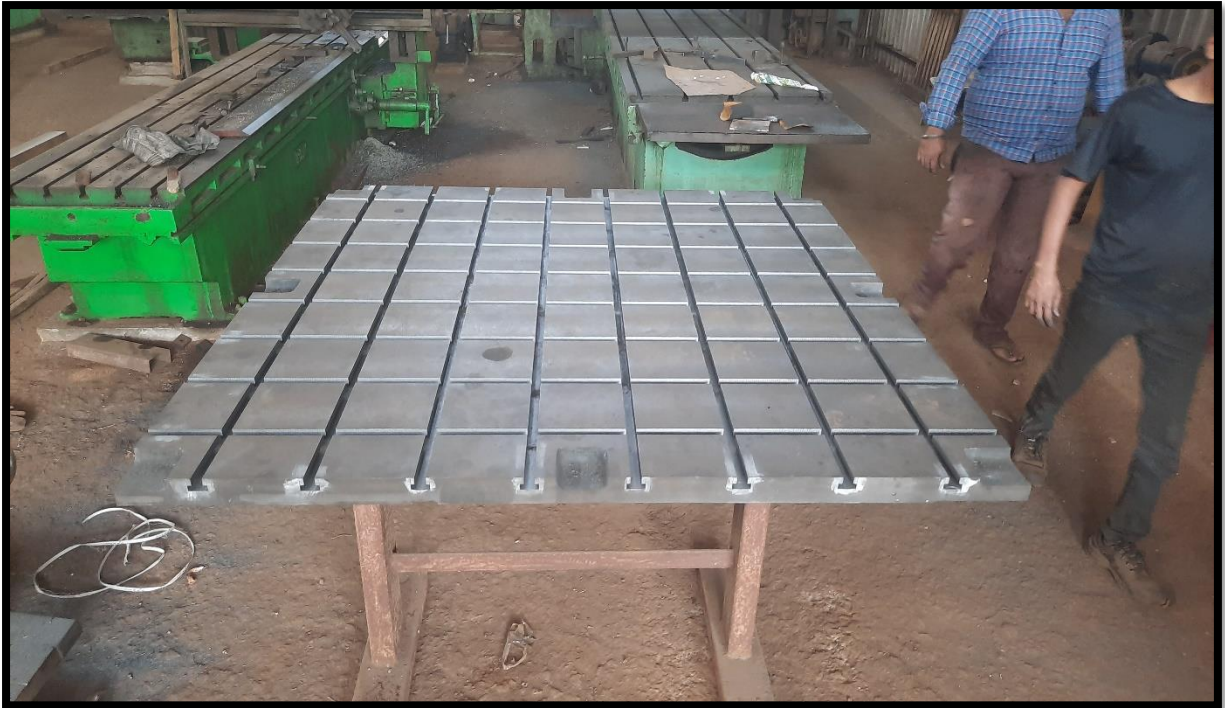

**(Surface , Bed , Slide way Grinding Services)**

( T Slot Machining has per drawing requirements)

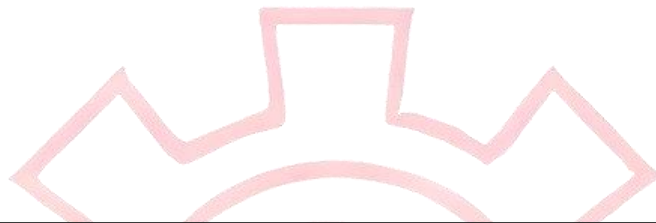

( Fabrication of beam Structure body , rail of Stone Cutting machine )

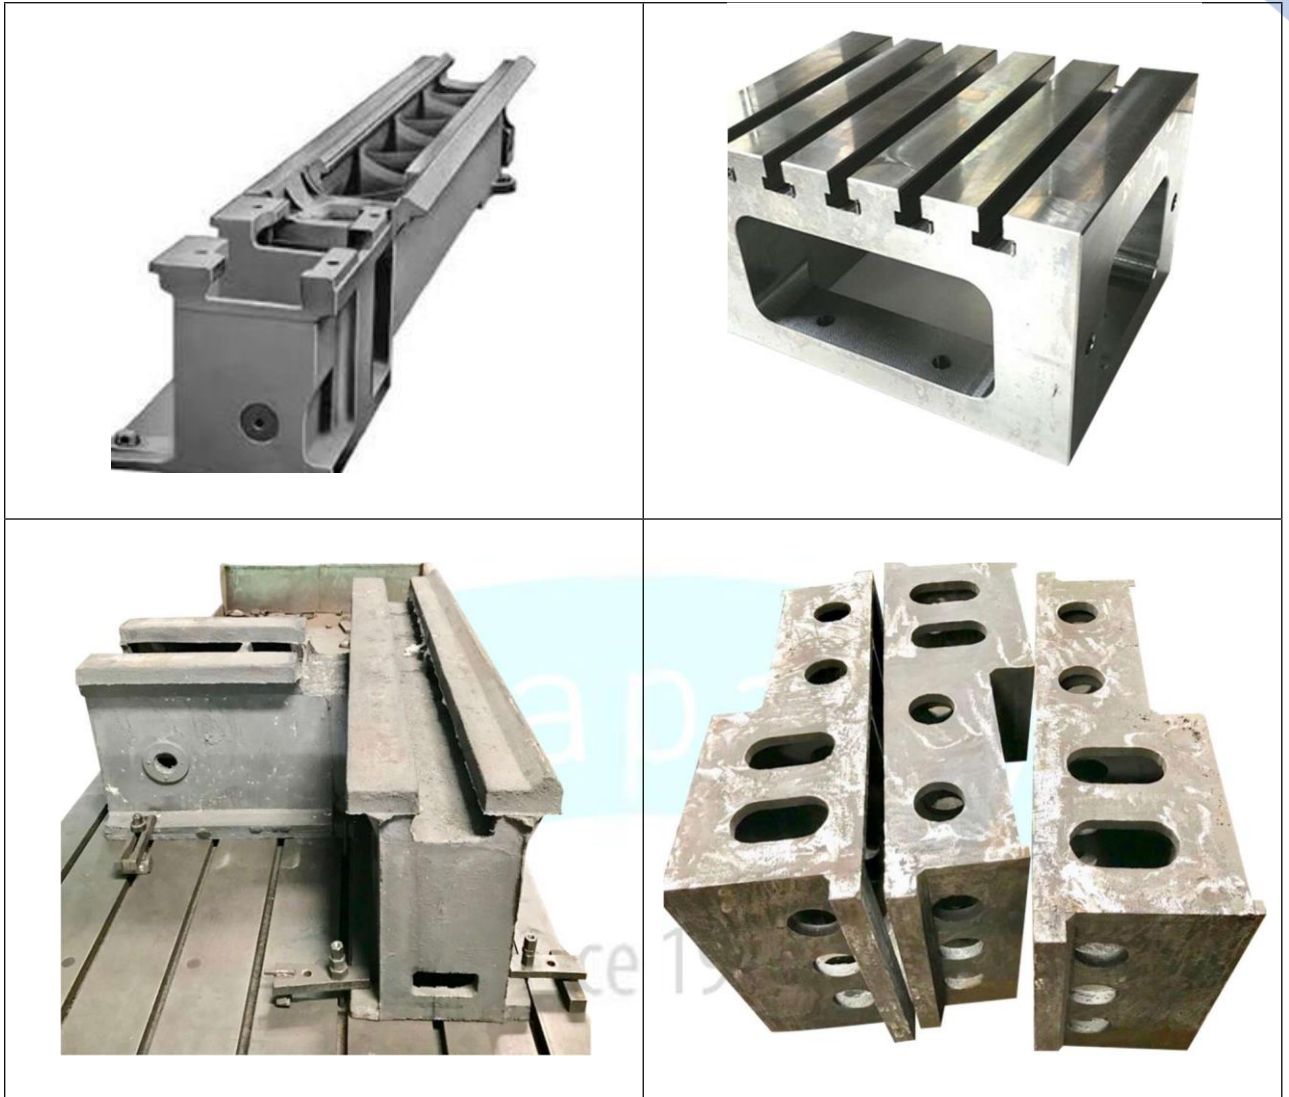

**(Complete Job Development)**

**(Maintenance Job work)**

**( All Kinds of Machine Tools & SPM spare Parts)**

## ➤ Our clients

**Swiss  
Steel**  
Group

Swiss Steel Group

Engine mates Pvt Ltd

Shah Stone Machine Pvt Ltd

Seehra Engineering

Lloyds Engineering Works

Mukund Steel Pvt Ltd

### Additional Clients:

Steel tech engineering Pvt Ltd	Ambernath
Unmix Equipment Pvt Ltd	Ambernath
Unicraft Engineering Pvt Ltd	Ambernath
Unique Equipments Pvt Ltd	Ambernath
Echaar Equipments Pvt Ltd	Ambernath
ASB International Pvt Ltd	Ambernath

We would welcome the opportunity to discuss how Gurjas Industries can contribute to your projects and meet your industrial machinery and engineering service requirements.

Thank you for considering Gurjas Industries as your potential partner. We look forward to the possibility of working together and delivering exceptional results.

Please contact us at [gurjasindustries@yahoo.com](mailto:gurjasindustries@yahoo.com) / [8551907719/9890137719] for further information or inquiries.
